HELPING TO HEAL THE WOUNDS OF WAR

BOB WOODRUFF FOUNDATION

G.I. THETA CHI

G.I. Theta Chi, presented by Theta Chi Fraternity, is a philanthropy dedicated to healing the physical and physical and psychological wounds of war by supporting the Bob Woodruff Foundation.

Bob Woodruff, an alumnus of Theta Chi Fraternity, created this Foundation after he was seriously injured covering a news story in Iraq. While recovering, he learned of the physical and psychological problems that many soldiers obtain when they survive a traumatic injury in war. This foundation helps soldiers recognize what they have done and all they can still do.

April 10th 2010 is the 4th Annual G.I. Theta Chi fundraiser. As a supporter of this cause, your business will be advertised throughout the University of Central Florida, the third-largest university in the nation. The top supporters of this foundation will receive an event at the fundraiser that is sponsored and named after their company. G.I. Theta Chi will be located at Lake Claire. Any sponsor banners will proudly be displayed.

YOUR SUPPORT MAKES A DIFFERENCE

We are helping veterans reintegrate into a society that recognizes all they have done — and all they still can do. We believe that we will have cared for all of our wounded only when we have cared for all of their wounds.

Your donation enables the Bob Woodruff Foundation to reach out to these heroes
